## INDEXERS ARE THE GENEALOGIST'S BEST-FRIEND

**HSGS's Web Site.** Our web site is no longer hosted by [www.rootsweb.com](http://www.rootsweb.com) and is now hosted by its own USGenWeb server, and has gone through several major changes in the last several months. And again this month there were several changes made. In HSGS's opinion it still needs several more changes that are noted below in italics. Our current Internet address starts with [www.usgenweb.org/mi](http://www.usgenweb.org/mi), then the [MIGenWeb - Michigan Home Pages](#) opens, then click on the [Alphabetical List](#) of Michigan counties and then click on [Iosco County](#). Three tables will appear: (1) [Iosco County Resources](#) table, (2) [State of Michigan Resources](#) table, and (3) [United States National Resources](#) table.

- **If you wish to do a SIMPLE SEARCH of all Iosco County indexes (including HSGS indexes):** From the [Iosco County Resources](#) table go to the search block titled [Search the USGenWeb Archives](#) in the lower right corner and enter your search words and click on the word [<<Iosco](#). The [Advance Search Menu](#) will come on the screen (For some unknown reason) with your Simple Search results shown below it. *(At this time the index titles do not appear in the search results until you click search results one at a time. We have asked that the index title be made mandatory, or at least optional, rather than the current format which is mostly uninformative).*
- **If you wish to do an ADVANCE SEARCH of all Iosco County indexes (Including HSGS indexes):** From the [Iosco County Resources](#) table go to the search block titled [Search the USGenWeb Archives](#) in the lower right corner and click on the word [<<Iosco](#) and the [Advanced Search Menu](#) will appear. Fill in the options offered on the search menu (Be sure Iosco County is selected) and then click [SEARCH](#) and the search result will be presented below the Advance Search Menu. *(At this time the index titles do not appear in the search results until you click search results one at a time. We have asked that the index title be made mandatory, or at least optional, rather than the current format which is mostly uninformative).*
- **If you wish only to BROWSE all of the HSGS indexes:** Go to the [Iosco County Resources](#) table and click on [Huron Shores Genealogical Society](#), and the [USGenWeb home page for Iosco County & the Huron Shores Genealogical Society](#) will open. This page is not prepared by HSGS, but by an USGenWeb volunteer, and is badly outdated, except for the first paragraph. In the first paragraph click on the words [Main HSGS Index Page](#) (shown in green), and all HSGS indexes will open up for browsing only because there is no search engine available here. *(We have asked that a search engine be made available here).* The Find Button (Ctrl-F) will afford some limited search of all the index titles, and also will afford some limited search of the content when an individual index is opened.
- **If you wish to READ HSGS Newsletters from 2004-2008:** Go to the [Iosco County Resources](#) table and click on [Huron Shores Genealogical Society](#), and the [USGenWeb home page for Iosco County & the Huron Shores Genealogical Society](#) will (shown in green) and a list of our newsletters will appear. Select the MS-Word or PDF format and click on the date of the newsletter you want and the newsletter will open.
- **MIGenWeb Megasearch.** Starting this month, in the lower left corner of the [Iosco County Resources](#) table is an item titled [MIGenWeb MegaSearch](#). HSGS has found no explanation given for what this is. It appears it might search all of USGenWeb except the USGenWeb Archives. If anyone knows what this is please advice us. Thanks.

HSGS currently has 1,282 indexes, 30,856 printed pages, and 1,362,241 name citations indexed: If the indexes were printed out they would be about 9 feet tall and weighs about 300 pounds.

All these files are on HSGS's master file on our computers external hard drives, & on a 2-CD set that we sell. But only about 98% are on the web site (Which does not include about 10-20 new indexes within the last month or two, draft indexes not yet finished, & a some administrative corrections). The history and current status of our master indexes & CD follows:

### HSGS's ARCHIVES COLLECTION POLICY

The old policy of collecting all family history related items has resulted in a large collection stored in several rented rooms outside of the library. And much of it has not been used for the last 4-5 years. Our current archival collection consists of 469 titles, stored in 195 banker boxes, and totals 203.1 cubic feet of storage.

Much of the labor, the costs of the 200 banker boxes and rental cost has been of little value because of the limited use. Another factor needing of a new policy is that we at this time need more space to store hard copies of Iosco county newspapers.

HSGS's new collection policy is to collect only selected items shown below:

Based on the Westward the migrations:

- New England (ME, MA, VT, NH, MA, CT & RI).
- New York State.
- Ontario & Quebec Provinces of Canada, and Canada if includes good info on ON & QE.

Co MI:

- North from- Alcona & Alpena counties.
- South from- Arenac, Bay, Saginaw, Genesee, Oakland, & Wayne counties.
- West from- Ogemaw county.

Based on Iosco County's home state: Michigan

Based on the USA if contains good information about MI or MI counties of interest..

The items in the following table that are colored yellow are available to anyone on a first requested first served bases, assuming you are committed to make a reasonably donation for the material. Make your request by retuning copies of this list with items you want notated on the list. If to be packed and mailed you will be charged a reasonable fee for this. If picked up please bring your own boxes as we wish to keep our banker boxes. Any questions email Alonzo Sherman at [shermanaj@hotmail.com](mailto:shermanaj@hotmail.com).
